	<ul style="list-style-type: none"> <li><b>Parish Hall</b> -Geraldine advised that the parish needs to consider seeking someone to take responsibility for the hall. Since taking up the post of parish secretary, Geraldine has taken it up on herself to keep the hall and its adjacent rooms tidy, equipped and organised. However when she retires she will no longer do this and it is not a task that is in the remit of the Parish Secretary. Consequently the new secretary will not be expected to do this work. A lot of effort has been made to improve the hall and it is human nature that users do not return it to the state in which they received it. If someone doesn't take responsibility it will over time, deteriorate. There is also the matter of Hiring the Hall to users. There are many issues primarily around health and safety but also the terms of hire. Again someone needs to be responsible for this. After some discussion Geraldine was asked to produce a paper on the issues of hiring the hall that need to be addressed and which can be discussed at the next meeting if possible.</li> </ul>
